BE IT RESOLVED BY THE HOUSING FINANCE AUTHORITY OF HILLSBOROUGH COUNTY, FLORIDA (THE "AUTHORITY"), THAT:

SECTION 1. Authority. This Resolution is adopted pursuant to the Constitution of the State of Florida, the Housing Finance Authority Law, Part IV of Chapter 159, Florida Statutes,

Ordinance No. 85-33 enacted by the Board of County Commissioners of Hillsborough County, Florida (the "Board"), as supplemented and amended (the "Ordinance"), and other applicable provisions of law (collectively, the "Act").

SECTION 2. Findings. The Authority has found and determined and does hereby declare that:

A. Blue Humphrey Street LLC (the "Borrower") has requested the Authority to issue its multifamily housing revenue note to finance a loan to the Borrower to finance the acquisition, construction and equipping of a multifamily residential rental development to be located in Hillsborough County, Florida (the "Development"), 91% of the units in which are to be occupied by persons or families whose income does not exceed sixty percent (60%) of the area median income, and an additional 9% of which are to be occupied by persons or families whose income does not exceed fifty percent (50%) of the area median income.

B. AmeriNational Community Services, LLC, a Minnesota limited liability company d/b/a AmeriNat in KY, GA and FL (the "Issuer Servicer") has delivered to the Authority its Credit Underwriting Report with respect to the Development (the "Credit Underwriting Report").

C. The Authority, at the request of the Borrower, has determined to issue its Multifamily Housing Revenue Note, Series 2017 (Sweetwater Villas) (the "Note") in the aggregate principal amount not to exceed \$6,000,000, and to use the proceeds from the sale thereof to make a loan to the Borrower (the "Loan") pursuant to a Borrower Loan Agreement between the Authority and the Borrower, substantially in the form attached hereto as **Exhibit "A"** (the "Borrower Loan Agreement") to be used to finance the acquisition, construction and equipping of the Development. The Loan will be evidenced by a Multifamily Note (the "Borrower Note") from the Borrower to the Authority, a form of which is attached hereto as **Exhibit "B"**, as assigned to Citibank, N.A., as the Funding Lender and holder of the Note (the "Funding Lender") and secured by a Multifamily Mortgage, Assignment of Rents, Security Agreement and Fixture Filing (the "Mortgage"), a form of which is attached hereto as **Exhibit "D"**, as assigned by the Authority to the Funding Lender pursuant to the Assignment of Mortgage and Loan Documents (the "Assignment"), a form of which is attached hereto as **Exhibit "C."**

D. The Note will be issued pursuant to a Funding Loan Agreement, substantially in the form attached hereto as **Exhibit "E"** (the "Funding Loan Agreement"), to be entered into among the Authority, U.S. Bank National Association, as fiscal agent (the "Fiscal Agent") and the Funding Lender.

E. To provide security for the payment of certain indemnification obligations and obligations for the payment of certain fees and expenses, for the completion of the Development, for the payment of certain operating deficits of the Development and for indemnity against environmental liability, the Borrower, Blue Humphrey Street M LLC, as the

managing member of the Borrower (the "Managing Member"), Blue Sky GE LLC, Blue Sky Communities, LLC, Shawn Wilson and James M. Chadwick (collectively, the "Guarantors") will execute and deliver an Absolute and Unconditional Guaranty of Completion in substantially the form attached hereto as **Exhibit "F,"** (the "Guaranty of Completion"), an Absolute and Unconditional Guaranty of Operating Deficits in substantially the form attached hereto as **Exhibit "G"** (the "Operating Deficit Guaranty"), a Continuing, Absolute and Unconditional Guaranty of Recourse Obligations in substantially the form attached hereto as **Exhibit "H"** (the "Guaranty of Recourse Obligations" and, together with the Guaranty of Completion and the Operating Deficit Guaranty, the "Guaranties") and an Environmental Indemnity Agreement in substantially the form attached hereto as **Exhibit "I"** (the "Environmental Indemnity").

F. Within the County there is a shortage of housing available at prices or rentals which many persons and families can afford and a shortage of capital for investment in such housing. This shortage constitutes a threat to the health, safety, morals and welfare of the residents of the County, deprives the County of an adequate tax base, and causes the County to make excessive expenditures for crime prevention and control, public health, welfare and safety, fire and accident protection, and other public services and facilities.

G. The shortage of capital and housing cannot be relieved except through the encouragement of investment by private enterprise and the stimulation of construction of housing through the use of public financing.

H. The Development and the financing thereof will assist in alleviating the shortage of housing in the County and of capital for investment therein, will serve the purposes of the Act and the Development will constitute a "qualifying housing development" under the Act.

I. Adequate provision has been made in the documents attached hereto for the Loan by the Authority to the Borrower to finance the acquisition, construction and equipping of the Development, and for the operation, repair and maintenance of the Development at the expense of the Borrower and for the repayment by the Borrower of the Loan in installments sufficient to pay the principal of and the interest on the Note and all costs and expenses relating thereto.

J. The Authority is not obligated to pay the Note except from the proceeds derived from the repayment of the Loan and other payments received from the Borrower or from the other security pledged therefor pursuant to the Funding Loan Agreement. Neither the faith, revenues, credit nor taxing power of the State of Florida or any agency, subdivision or local government thereof, including the County, is pledged to the payment of the principal of, premium (if any), or interest on the Note. Neither the faith, revenues nor credit of the Authority is pledged to the payment of the principal of, premium (if any), or interest on the Note. The Authority has no taxing power.

K. The Funding Lender has indicated its willingness to purchase the Note through a negotiated private placement. A negotiated sale of the Note is necessary and in the best interests of the Authority for the following reasons: the Note will be a special limited obligation of the Authority payable from amounts derived from the payments by the Borrower pursuant to the Borrower Loan Agreement, the Borrower Note, the Mortgage Servicing Agreement and certain other funds and collateral pledged therefor; the Borrower will be required to pay all costs of the Authority in connection with the issuance of the Note and the administration of the Development and to operate and maintain the Development at the Borrower's own expense; the costs of issuance of the Note, which must be borne directly or indirectly by the Borrower, would most likely be greater if the Note is sold at a public sale by competitive bids than if the Note is sold at a negotiated sale; in light of the unsettled Note market and the necessity of complying with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"), it is essential that the Authority and the Borrower have maximum flexibility in structuring the Note, which flexibility would not be possible in competitive bidding; there is no basis, considering prevailing market conditions, for any expectation that the terms and conditions of a sale of the Note at public sale by competitive bids would be any more favorable than at a negotiated sale; multifamily housing revenue bonds which have the characteristics of the Note are typically sold at negotiated sale under prevailing market conditions; and the Borrower, the Funding Lender and RBC Capital Markets, LLC, as the Placement Agent, have undertaken substantial negotiations with respect to the Note and the security therefor.

L. Because of the nature and character of the Note, the security pledged therefor, the size and complexity of the financing and for the reasons stated above, it is in the best interest of the Authority that the Note be sold pursuant to a negotiated private placement and not at public bid in the aggregate principal amount of not to exceed \$6,000,000, upon the conditions provided herein and upon delivery by the Funding Lender of a disclosure statement containing the information and a truth-in-bonding statement required by Section 218.385, Florida Statutes.

M. Notice of a public hearing conducted by the Authority on September 26, 2016, inviting written and oral comments and discussions concerning the issuance of the Note in an aggregate face amount of not to exceed \$6,000,000 to finance the acquisition, construction and equipping of the Development was published in The Tampa Tribune, a newspaper of general circulation at least 14 days prior to the date of such hearing.

N. On September 26, 2016, a public hearing concerning the issuance of the Note in an aggregate face amount of not to exceed \$6,000,000 to finance the Development was held by the Authority.

O. On October 19, 2016, the Board approved the issuance of bonds by the Authority in an aggregate face amount of not to exceed \$6,000,000 for purposes of Section 147(f) of the Code and for purposes of the Ordinance pursuant to Resolution No. R16-154.

P. The Authority has received from the State of Florida Division of Bond Finance 2014 private activity bond volume cap allocation of \$50,000,000, which has been carried forward by the Authority pursuant to Section 146(f) of the Code and may be used by the Authority for the issuance of qualified mortgage bonds, including the Note, of which \$49,400,000 remains available for use through the end of calendar year 2017.

Q. Subject to the conditions set forth herein, all conditions precedent to the issuance of the Note have been satisfied, or will be satisfied prior to or simultaneously with the delivery of the Note, and the proposal will otherwise comply with all the provisions of the Act.

SECTION 3. Approval of Issuance of Note. For the purpose of making the Loan to the Borrower, subject to the satisfaction of the conditions of the Credit Underwriting Report to the satisfaction of the Issuer Servicer, the issuance of the Note in the aggregate principal amount of not to exceed \$6,000,000, or in such lesser amount as may be approved by the Chair or Vice Chair of the Authority, is hereby authorized. Subject to the criteria set forth herein, the Note shall be issued upon the terms, including the dated date, interest rate, maturity and optional and mandatory redemption provisions therefor, as set forth in the Funding Loan Agreement. The series designation for the Note may be changed to reflect the calendar year in which it is issued if not issued in calendar year 2017.

The Note and the premium, if any, and the interest thereon shall not be deemed to constitute a general debt, liability or obligation of the Authority or a debt, liability or obligation of the County, the State of Florida or of any other political subdivision thereof, or a pledge of the faith and credit of the Authority or of the County, the State of Florida or of any other political subdivision thereof, but shall be payable solely from the revenues provided therefor pursuant to the Funding Loan Agreement, and the Authority is not obligated to pay the Note or the interest or premium, if any, thereon, except from the revenues and proceeds pledged therefor pursuant to the Funding Loan Agreement. Neither the faith, revenues, credit nor taxing power of the State of Florida or any agency, subdivision or local government thereof, including the County, is pledged to the payment of the principal of, premium (if any), or interest on the Note. Neither the faith, revenues nor credit of the Authority is pledged to the payment of the principal of, premium (if any), or interest on the Note. The Authority has no taxing power.

SECTION 8. Approval of Land Use Restriction Agreement. In order to provide for the use and operation of the Development in compliance with the Act, the requirements of the Authority and the requirements of the Code and to preserve the exclusion from gross income for federal income tax purposes of interest on the Note, the execution and delivery of the Land Use Restriction Agreement, a proposed form of which is attached hereto as **Exhibit "J"** (the "Regulatory Agreement") among the Borrower, the Authority and the Fiscal Agent are hereby authorized and approved. The form of the Regulatory Agreement, attached hereto as **Exhibit "J"** is hereby approved, subject to such changes, modifications, insertions and deletions as may be and made in such form of the Regulatory Agreement and approved by the officers of the Authority executing the same, the Fiscal Agent, and the Borrower, and the execution and delivery thereof to be conclusive evidence of such approval.
